**A climbing wall, putting and chipping contests,  
and a martial arts class will highlight Fun Day at USI**

On Wednesday, September 1, University of Southern Indiana students will participate in outdoor games and contests organized by the USI Intramurals and Recreational Sports staff. Fun Day will be held for all students from 11 a.m. to 2 p.m. in the guest parking lot south of Rice Library to raise awareness of the intramural program.

Fun Day activities will include a climbing wall, sports stations, putting and chipping contests, and basketball contests. USI Fitness Center staff will lead an outdoor martial arts class and an aerobics class. Prizes will be awarded throughout the event including a grand door prize of a color television. Refreshments will be provided by Papa Johns and Coca Cola.

The purpose of the event is to introduce students to intramurals students and provide an opportunity for them to register for teams.

The Thursday, September 2, Fun Night will be held from 6 p.m. to 8 p.m. for freshmen only outside Newman Hall, a suite-style residence hall that opened on campus this fall. Fun Night is a similar event, but will not include the group martial arts or aerobics classes.
