**ISUE'S YEARBOOK AND LITERARY MAGAZINE RECOGNIZED.** The Indiana Collegiate Press Association, in presenting the 1979 awards to recognize the best in Indiana collegiate publications, judged ISUE's literary magazine and yearbook to be among the best.

Moving Finger, ISUE's magazine, under Barb Hass' editorship, received an Honorable Mention after placing well in six out of the ten categories. It won Best Cover Design for the October '78 issue and an Honorable Mention in the category for the February '78 issue. The October '78 issue also was chosen Best Overall Make-Up of a Single Edition. The students' individual poems, essays, short stories, and art work all did well. Moving Finger, which is published biannually, is the oldest of ISUE's student publications.

Transitions was voted third in the Division II Yearbook of the Year contest. It took first place in the Best Campus Events Coverage category and also placed in Best Handling of Copy, Best Cover, Best Features, and Best Make-Up. Kim Melloy was editor of the winning edition.

ANN HUMPHREY, director of publications at ISUE, acted as advisor for both the literary magazine and the yearbook.

**ISUE STUDENT IN GERMANY.** The ISUE German Club sponsored their first annual German language study tour to Europe. Fourteen participants, including ten members of the University community and four family members of theirs, left Chicago O'Hare Airport on Friday, April 13 and spent their first night in the old university city of Heidelberg.

They travelled by bus to Munich where FREDERICKA SCHMADEL, German instructor, led them through the pedestrian zone downtown to the doors of the famous Hofbräuhaus. Participants visited five castles, Dachau concentration camp, the Deutsches Museum (of Engineering and Technology), Oberammergau (site of the famous Passion Play), Garmisch-Partenkirchen, Salzburg in Austria, and rode by cable car to the top of the Zugspitze, tallest mountain in Germany. On the way back to Luxembourg they explored Rothenburg, where a medieval city complete with surrounding moat and city wall has been preserved. In Munich they enjoyed a performance of the Mozart opera.

The many other educational experiences will be described in a Humanities Forum slide show in September.

**ALUMNI SCHOLARSHIP FUNDS.** Through the cooperation of DAVID DEERING, Bookstore manager, and the ISUE Bookstore, the ISUE Alumni Association has undertaken this project in an attempt to raise additional funds for student scholarships.

Each year faculty members receive text books for which they have a minimum amount of use. We are proposing that faculty and staff members donate these books to the Alumni Association. The Alumni Association will sell them to the bookstore and all funds collected will be used for student scholarships. We are interested in all kinds of books regardless of the amount of money that we receive for them. Either deliver the books to the Office of Alumni Affairs in the Administration Building or contact the Office of Alumni Affairs and some one will get the books from you at your convenience.

In addition to your cooperation, the Alumni Association will make this opportunity available to students. Contact RALPH KENT, director of Alumni Affairs, at extension 1865 if you have any questions regarding this project. We sincerely hope that you will assist us as we attempt to make more scholarship funds available for ISUE students.
