No. 1

(Notes for faculty and staff will be distributed on Monday of each week, if news items are available. Please give notices which should appear in a particular issue of CAMPUS NOTES to Mrs. Barton prior to 4:00 p.M. on Thursday.)

1. School Fire Alarm:

At the present time our "In Building Alarm System" is not connected with the "Fire Department System". Therefore, in addition to pulling an alarm, we must phone the fire department(425-8141) to report a fire. This situation will be corrected with the completion of work on St. Joseph Street, and you will be again notified of this correction.

2. Faculty and Staff Parking:

When the main parking lot and parking areas designated for faculty and staff parking are filled, street parking in the adjacent community should be utilized. Faculty and staff wishing to rent a parking spot from property owners in the adjacent community should contact the Business Office.
