For Immediate Release
March 13, 1991

Dr. Robert E. Mays, professor of education and chairman of the Department of Teacher Education at the University of Southern Indiana, has been selected to serve on a special review panel to help evaluate applications and make budget recommendations for the Training Program for Special Programs Staff and Leadership Personnel.

His appointment was made by the U.S. Department of Education, Office of the Assistant Secretary for Postsecondary Education. The special programs include Upward Bound, Talent Search, Educational Opportunity Centers, Trio Programs, and Special Services for Disadvantaged Students.

Dr. Mays will co-chair the National Talent Search Panel March 17 in Washington, D. C.
