HPER BUILDING TO OPEN JUNE 16, 1980.

The new Health, Physical Education and Recreation Building will be open for recreational activities on a limited basis on Monday, June 16, 1980. Although the building will be used for classes, athletic camps and continuing education starting Monday, June 9, additional time is needed for organization before general use of the building begins.

During this week students and employees may pay for lockers and towel service.

Payment will be made at the Cashier's window in the Administration Building and the receipt presented to the personnel at the equipment desk. A lock, towel and a locker assignment will then be issued.

The following temporary locker and towel service fees will be charged:

ISUE Student:	Service Charge	\$3.00	per semester or summer
	Deposit	4.00	refundable
	Total	\$7.00	

This fee will allow the use of a small storage locker, a lock and a towel that can be exchanged for a clean towel after each use for all or any part of the summer or for either academic semester. No personal locks will be allowed on the storage lockers. A refund of \$1.50 will be made upon return of the towel and \$2.50 for the return of the lock.

Faculty and staff may also have lockers as assigned and have towel service. Larger lockers are available and are located in the faculty and staff locker rooms. Also available at a cost less than the faculty and staff locker are the same storage lockers available to students. The service charges for these two services are as follows:

Faculty & Staff Lockers:	Service Charge	\$14.00 per year
	Deposit	4.00 refundable
Smaller Lockers:	Service Charge	\$ 3.00 per semester or summer
	Deposit	4.00 refundable
