The Dean's List for the 1988 Fall Semester has been released by the University of Southern Indiana. Dr. Robert L. Reid, vice president for Academic Affairs, reported that 517 students were named to the latest honors list.

Students must achieve a 3.5 or better grade point average (on a 4.0 system) to be named to the list. Honor students for the fall semester include:

(See attached lists for students from your area. The effort is to place students in county of origin wherever possible; there is some duplication in listing older and/or married students at current and former addresses or all students where an address appears to cross a county line.)
