For Immediate Release
January 31, 1992

The Dean's List for the 1991 Fall Semester has been released by the University of Southern Indiana. Dr. Robert L. Reid, vice president for Academic Affairs, reported that 665 students were named to the latest honors list.

Students must achieve a 3.5 or better grade point average (on a 4.0 system) to be named to the list. Honor students for the fall semester include:

(See attached lists for students from your area. The effort is to place students in county of origin where possible but there are numerous listings that cross county lines; there will be some duplication in the effort to list students appropriately, sometimes using both current and hometown addresses.)
