The Alumni Association will sell them to the Bookstore and all funds collected will be used for student scholarships. We are interested in all kinds of books regardless of the amount of money that we can receive for them. These books can be delivered to the Office of Alumni Affairs in the University Center or you can contact the Office of Alumni Affairs and someone will get the books from you at your convenience.

In addition to your cooperation, the Alumni Association will make this opportunity available to students. Contact RALPH KENT, director of alumni affairs, at extension 1865 for further information.
