USI BASEBALL COACHING STAFF

Tracy Archuleta
Head Baseball Coach

Tracy Archuleta became the first USI baseball coach to lead the Screaming Eagles to the NCAA Division II National Championship and is fast becoming the winningest coach in the history of the program. The 2010 ABCA NCAA II Coach of the Year has won 170 games in four seasons in leading the team into the national spotlight.

The national champion Eagles broke 13 team records under Archuleta's direction, including wins in a season (52), winning percentage (.788, 52-14), and winning streak (15). USI also won its third straight GLVC West Division title and its first GLVC Tournament crown since 1993.

The 2010 Eagles also featured two All-Americans, three All-Region performers, and seven All-GLVC players. Six Eagles also earned Academic All-GLVC honors.

In addition to the national Coach of the Year award, Archuleta was named the Midwest Region Coach of the Year by the ABCA and the National Collegiate Baseball Writers Association.

The third season was nearly as exciting as his first with the Eagles coming two wins from advancing to second NCAA II Baseball Championship appearance. USI won the GLVC West for a second straight year before finishing third in the GLVC Tournament and the NCAA Division II Midwest Regional. The Eagles were 39-19 overall; fourth best win total in the history of the program.

In the second season, Archuleta and the Eagles won their first GLVC West Division and the first conference regular season title in 15 years. USI finished the year with 36 victories during the regular schedule, tying for fifth all-time in the history of the program.

The Eagles also were ranked as high as sixth nationally in 2008.

Archuleta's first Eagles team made their first appearance in the final four of the NCAA Division II Baseball Championship and won their first ever NCAA Division II North Central Regional championship. USI also set a school record by posting 43 victories -- 25 wins better than the year before.

The Eagles and Archuleta finished their first season together ranked fourth nationally; had a 43-23 overall record; and 24-15 in the GLVC. USI placed second in the GLVC regular season and fourth in the conference tournament.

For his efforts, Archuleta was named the ABCA Midwest Region Coach of the Year in 2007 and 2010.

In Archuleta's four seasons, USI has won the NCAA II national championship and a pair of NCAA II Midwest Regional titles; won three GLVC West crowns; one GLVC Tournament championship; and appeared three NCAA II Regionals. Archuleta's Eagles also have featured five All-Americans, one Academic All-American, 13 All-Regional performers, and 20 All-GLVC players.

USI also has sent four players into professional baseball during Archuleta's three years at the helm. Darin Mastroianni, who was drafted by the Toronto Bluejays, advanced to double-A this past year, while Jeremy Kehrt, who drafted by the Boston Red Sox, is in single-A.

Archuleta came to USI after five seasons at the University of Wisconsin-Parkside that featured a pair of NCAA Division II Tournament appearances and a pair of 40-win seasons. UW-Parkside also advanced to the NCAA II North Central Regional title game in 2005 and was 148-124 (.544) during Archuleta's tenure.

After setting the foundation during his first two years, Archuleta directed the Rangers into the national spotlight with a 41-18 season in 2004, finishing on top of the GLVC standings and earning the school's first-ever NCAA II Tournament bid. Between 2002 and 2004, UW-Parkside went from 13 wins to 41 wins.

Archuleta's Rangers continued their march in 2005, this time with a 45-18 record, picking up the school's first GLVC baseball championship along the way. Again, the club made the NCAA II Tournament, reaching the regional championship game. The 2005 team broke the school record for wins in a season, set by the 2004 squad. In each of those two seasons, the Rangers finished among the top 25 teams in the nation.

In his tenure at UW-Parkside, Archuleta coached the Rangers first

continued

All-American, Regional Player of the Year, GLVC Player of the Year, and he had two players sign professional contracts and 11 players earn All-Region honors. He was tabbed GLVC Coach of the Year in 2004.

During his tenure at CMSU, the Mules won the regular season conference championship with a record of 20-1 and were ranked as high as fifth in the nation. The team picked up an NCAA tournament bid and finished 16th in the country with a 43-10 mark. Archuleta was CMSU's outfield coach and recruiting coordinator. He also assisted the hitters.

The native of Liff, Colorado, earned a Bachelor of Arts degree from Metropolitan State College of Denver and has a master's degree in education from Wayne State College. He has three children, Mikaela, 16, Alex, 10, and Samuel, 7

Archuleta served as an assistant coach for five seasons at Wayne

State College (Nebraska) and Central Missouri State University at the NCAA II level before taking the top spot at UW-Parkside.

At Wayne State, he was the infield coach, hitting coach, and recruiting coordinator on the team that captured its first NSIC championship and NCAA II regional birth in the 2001 season. Archuleta helped guide the team's batting average to 25th in the country (2000) and, in 2001, the squad was third in the country in fielding percentage (.969). In 2001, Wayne State finished 26th in the country with a record of 35-10.

About the University of Southern Indiana

Location

The University of Southern Indiana was founded in Evansville in 1965. USI is a comfortable drive from the major metropolitan centers of Indianapolis, Cincinnati, Louisville, Nashville, and St. Louis.

The Campus

The Health Professions Center, Science Center, Wright Administration Building, Education Center, and Orr Center are located on the north side of campus. Rice Library, University Center, Liberal Arts Center, Technology Center, and Business and Engineering Center form the quadrangle in the center of campus. The Physical Activities Center and the Recreation, Fitness, and Wellness Center are located east of University Boulevard, a major thoroughfare through campus. Apartment buildings and residence halls are home to 2,800 students who live on campus.

Academic Life

The University enrolls 10,702 students and offers undergraduate majors in 70 areas of study. An ever-increasing number of post-graduate programs also are available to students who wish to continue their education, including a Doctor of Nursing Practice degree. Opportunities are available for service learning, study abroad, and internships.

Campus Life

Outside the classroom, students have opportunities to participate in more than 90 organizations offering co-curricular and extra-curricular activities. Special interest clubs, student government, sororities and fraternities, music and drama groups, and other organizations enable the students to enjoy and contribute to campus life.

Residence Life

Students living on campus have their choice of two types of housing. Students can live in standard apartments or in residence halls which have amenities such as Internet connections, wireless Internet, and cable television. Computer labs, laundromats, a convenience store, outdoor and indoor recreation areas, and student lounges contribute to an efficient living environment that has proven to be overwhelmingly popular with students. Meal plans also are available at the University Center, which is located in the center of campus.

Financial Assistance

USI provides families with an affordable way to a higher education. While some families find that they can handle the cost of a USI education without financial assistance, others qualify for need-based financial packages, including grants, loans, and on-campus jobs.

Evansville, Indiana

...A CITY with urban attractions and hometown friendliness

Situated on the banks of the Ohio River, Evansville is a mid-sized city that welcomes USI students and offers them plenty of things to do. Roberts Stadium and the Victory Theatre attract students to concerts by entertainers like Nelly, Aerosmith, Kenny Chesney, Kid Rock, and Josh Groban. Traveling Broadway shows and feature performances come to The Centre. For a relaxing walk or invigorating run, the downtown riverfront features a greenway with a view of the changing river traffic and the Evansville skyline. Movie theatres (including an IMAX) and Swonder Ice Arena draw students together for fun, activity, and fellowship. Evansville's coffee shops, restaurants, and shopping areas also are places where students like to spend time. Less than three miles from campus, shopping centers and restaurants are plentiful. Eastland Mall on Green River Road and the commercial centers off Burkhardt Road offer more restaurants and terrific shopping. USI's suburban location in the rolling hills of western Vanderburgh County is just minutes away from all that Evansville has to offer.
