USI CLASS TO STUDY COMPUTER BUSINESSES

For Immediate Release
April 18, 1991

A California consultant, Daniel Tompkins, will be the instructor for a two-day class on Starting a Computer Business at Home, to be held Saturday and Sunday, May 4-5, in the Orr Center at the University of Southern Indiana.

Participants will study word-processing, computer consulting, desk-top publishing, financing a computer business, information on more than 100 home-based computer opportunities - database and list management, contract programming, tutoring, accounting, mail order, repair, clone assembly, etc. - along with case studies of successful computer companies.

The registration fee is \$125 and includes lunch and materials. Call the USI Office of Continuing Education, 812/464-1989 or 800/467-8600, for information or to register.
