INDIANA STATE UNIVERSITY EVANSVILLE
"Equal Opportunity and Affirmative Action Employer"
UNIVERSITY NOTES. VOL. XI No. 55 September 28, 1977
Editor, Sherri Standley; Assoc. Editor, Debbie Lottes

UNITED WAY CAMPAIGN BEGINS. During the month of October, the University will be conducting the annual United Way campaign. The ISSUE United Way committee hopes to ensure that every individual in the University family is contacted personally and given an opportunity to make a donation or pledge. The committee desires to broaden University support by increasing the number of individuals making a contribution.

Donations to this year's campaign are up to the individual and should be based on family needs and other personal considerations. Your support is what makes the United Way work and shows that you believe in your neighbors and your community.

Because you care . . .

. . . the United Way concept continues to grow in Vanderburgh and Warrick Counties.

. . . the United Way concept, people caring for people, has been providing a higher quality of life for our citizens since 1885.

. . . more than 100,000 people in Vanderburgh and Warrick Counties are receiving services through the 31 United Way human service agencies.

. . . the United Way is increasing the types of services funded by your United Way gift.

. . . United Way agencies are receiving increased allocations and are continuing to provide their fine service programs.

. . . the United Way pledges to continue to study the service needs in our community.

. . . the United Way strives to hold its campaign, administration and planning expenses to a minimum. For 1977, the total is 8.4¢ per dollar.

. . . the United Way will be here when you need us.
