## ALUMNI TELEFUND SETS RECORD

USI Alumni Association officials are well pleased with the \$61,677 pledged in support of Alumni and University programs during the recent Telefund that achieved a 13 percent increase over 1990 pledging.

The record solicitation was accomplished by 150 alumni, students, faculty, and staff volunteers during ten evenings and two Saturday mornings of telephone calls to more than 4,000 graduates. Individual pledges averaged \$30.96, up two percent over 1990, as 1,992 USI alumni responded to the campaign, a nine percent increase. The total included 395 new donors.
