

PUT YOUR THINKING CAP ON. The Office of Student Activities is in the process of putting together a group of cartoon episodes advertising services and programs that ISUE has to offer. Your assistance is needed in thinking up a character or an idea to depict the atmosphere of ISUE. No drawings are needed, just your ideas. A graphic artist will turn your ideas into an ISUE character and the cartoon episodes will be published in the Shield.

Send all ideas to the Office of Student Activities in the University Center.

REINDER: The offices will be open Monday, July 3.
