For Immediate Release
October 5, 1988

Tri-State high school students and their parents are invited to attend the annual Greater Evansville College Fair to be held this year on the University of Southern Indiana campus near Evansville.

More than 50 Indiana and out-of-state colleges and universities, technical schools, and military organizations will participate in the program sponsored by Evansville-Vanderburgh School Corporation, Evansville Catholic schools, southern Indiana high schools, Indiana Vocational Technical College, University of Evansville, and USI.

The purpose is to provide opportunities for students and their parents or guardians to obtain information on college admission requirements, testing procedures, cost, financial aid, and courses of study available at the participating institutions.

The program will begin with a "Shopper's Fair" in the Physical Activities Center, to be held from 1:30 to 3:20 p.m. Individual college presentations will begin at 2:45 and will be repeated at 3:30 so that interested students may attend at least two different sessions.

A special program also will be available for ninth and tenth graders at 1:30 p.m., when a college admissions office representative will speak on high school preparation, testing, and admission requirements.

Further information is available by contacting high school counselors or calling the USI Admissions Office, (812) 464-1765.
