**...A CITY with urban attractions and hometown friendliness**

Situated on the banks of the Ohio River, Evansville is a mid-sized city that welcomes USI students and offers them plenty of things to do. Roberts Stadium and the Victory Theatre attract students to concerts by entertainers like Nelly, Aerosmith, Kenny Chesney, Kid Rock, and Josh Groban. Traveling Broadway shows and feature performances come to The Centre. For a relaxing walk or invigorating run, the downtown riverfront features a greenway with a wonderful view of the changing river traffic and the Evansville skyline. Movie theatres (including an IMAX) and Swonder Ice Arena draw students together for fun, activity, and fellowship. Evansville's coffee shops, restaurants, and shopping areas also are places where students like to spend time. Less than three miles from campus, shopping centers and places to eat are plentiful on both sides of the Lloyd Expressway. The Eastland Mall area on Green River Road and the commercial centers off Burkhardt Road offer more restaurants and terrific shopping. USI's suburban location in the rolling hills of western Vanderburgh County is just minutes away from all that Evansville has to offer.

## 2006 USI Women's Soccer Outlook

The University of Southern Indiana women's soccer team will begin the 2006 campaign with its sights set on winning its first GLVC championship in the 10-year history of the program.

The Screaming Eagles took their first step toward that goal last fall when it reached the GLVC Tournament for the first time since the 2000 season. USI also completed the 2005 year with its first winning season -- 9-8-2 overall record, 8-5-0 in the league --since 2000.

Under the direction of fourth-year Head Coach **Krissy Engelbrecht**, USI is looking to keep moving up the GLVC standings after a fifth place showing last year. Engelbrecht has directed the Eagles to a 21-29-3 record in three seasons, going 14-19-0 in the GLVC.

### FORWARDS:

The Screaming Eagles return their top offensive threat in junior **Julie Collins**.

Collins led USI in scoring for a second straight season, recording a team-high 28 points on 11 goals and six assists. The second team All-GLVC performer, who had five game-winning goals as a sophomore, moved into USI's top five all-time in scoring with 41 career points and 16 career goals.

In addition to Collins, the Eagles return senior **Megan Williams** and sophomore **Lauren Pineda**. Williams had two goals in nine matches, while Pineda played 18 matches a year ago.

USI adds depth to the 2006 offensive front line with the addition of junior **Heather DeLonga** and freshmen **Alison Conquest** and **Rachel Caksackkar**.

DeLonga transfers to USI from Southwestern Illinois Community College where she was named All-American as a sophomore and honorable mention All-American as a freshman. She also was named All-Region twice.

Conquest was named All-Conference and honorable mention All-Area by the *Hammond Times* and *Gary Post-Tribune* while at Merrillville High School.

### MIDFIELD:

The 2006 midfield will be anchored by an experienced line of five returning players.

The top returning offensive threats from the middle of the field are juniors **Katie Grossman** and **Jessica Stawick**. Grossman was third on the squad in scoring with 14 points on six goals and two assists. She also had the game-winning goal in the win over Lewis in the regular season finale.

Stawick was fourth on the team with seven points on two goals and three assists.

The Eagles have extensive midfield experience with the return of senior **Kara Marcum**; sophomores **Serena Loewenthal** and **Meghan Cage**; and redshirt freshman **Kelli Kubicki**. Marcum, who was one of the GLVC leaders in assists as a freshman, has 15 points in three season on three goals and nine assists.

Cage had two goals, including a game-winner against Ferris State University, and three assists while playing in every game as a freshman. Loewenthal also played in every match, producing an assist.

Junior **Mallory Minor** and sophomore **Cara Jansen** make the move to the midfield after playing last season on defense. Jansen played in all 19 matches during her first year, while Minor appeared in 14 matches, after joining the team following the start of the year.

## **2006 USI Women's Soccer Outlook**

New to the middle of the field are freshmen **Shauni Boudia**, **Kara Georgeff**, **Katie Teagarden**, and **Julie Vaughn**. Boudia was a two-time Indiana All-State performer and earned first team honors for Noblesville High School in 2005. She also was a two-time first team All-District and All-Conference player.

Georgeff was a three-time first team All-Conference player and an All-District and All-Area honoree as a senior, while scoring 22 goals for Highland High School. Teagarden was an All-Conference and team Most Valuable Player in 2005 in helping Speedway High School to a conference championship in soccer.

Vaughn was a 2004 honorable mention All-City and second team All-District performer at Evansville Central High School.

### **DEFENSE:**

The Eagles defense has continued to improve over the last three seasons, lowering the team 2.15 goals against average in 2004 to 1.73 in 2005. Leading this defensive resurgence is junior goalkeeper **Meagan Homolla**. The honorable mention All-GLVC performer had a team-best 1.68 GAA as a sophomore and averaged 6.1 saves per match. The 6.1 saves per match ranked second in the league.

In front of the goal, the Eagles have a veteran line-up with five returning players -- senior **Rebecca Cripe**; junior **Katie Barisano** and **Keri Land**; and sophomores **Casey Alexander** and **Jessica Snyder**.

Land and Cripe started every game for USI on defense, while Barisano played in 19 contests with 17 starts. Alexander missed all of last season with a knee injury, but should be a big help to the defense in 2006.

Beginning their collegiate career on the Eagles are defenders **Katie Austin**, **Jaclyn Clements** and **Jenna Keusch**; and goalkeeper **Jami Martin**.

Keusch was a three-time All-Big 8 Conference performer for Jasper High School, while earning honorable mention All-State honors in 2005 and All-District recognition in 2004 and 2005. She also was a member of the All-Academic team as a junior and senior.

Clements was named to Crown Point High School Top Team Player and Indiana Soccer Coaches Association Academic All-State in 2005. The CPHS Bulldogs won the 2003 sectional and regional crowns and a share of the 2005 Duneland Athletic Conference championship during Clements' tenure.

# 2006 University of Southern Indiana

## Location

Founded in 1965, the University of Southern Indiana is located in Evansville, the state's third-largest city. From its picturesque site on the Ohio River, Evansville is a comfortable drive from the major metropolitan areas of Indianapolis, Cincinnati, Louisville, Nashville, and St. Louis.

## Academic Life

The University enrolls 10,000 students and offers undergraduate majors in 70 areas of study. Ten graduate degree programs also are available.

## Campus Life

Beyond the classroom, students have opportunities to participate in more than 90 organizations offering co-curricular and extra-curricular activities. Special interest clubs, student government, sororities and fraternities, music and drama groups, and other organizations enable the students to enjoy and contribute to campus life.

*Science and Education Center*

*Recreation and Fitness Center*

## Residence Life

USI offers two kinds of housing. One is the conventional apartment and the other is suite-style housing in a residence hall. Computer labs, laundromats, a convenience store, outdoor recreational areas, and student lounges contribute to an efficient living environment that has proven overwhelmingly popular with students. A meal plan is available in the University Center. More than 3,000 students live on campus.

## Financial Assistance

USI is an affordable higher-education institution and some families find that they can handle the cost of a USI education without financial aid. Many others qualify for need-based financial aid packages, including grants, loans, and jobs.
