1992-93 WOMEN'S BASKETBALL OUTLOOK

The University of Southern Indiana women's basketball team is ready to challenge the upper division of the Great Lakes Valley Conference. Last season, the Lady Screaming Eagles finished with an 8-20 record overall and placed eighth in the conference with a 3-15 record.

Head Coach Chancellor Dugan feels the conference will be more competitive this year with many close games.

Dugan said "The GLVC will be a wide open race, which is good for the GLVC and the fans. This season, no one will be able to overlook us. When they play us they will have to be ready to play. We are looking to improve on what we did last season and move into the top five of the conference."

To get ready for the conference schedule, Dugan and the Eagles have scheduled some tough non-conference competition. They play Division I teams Southeast Missouri State University and Middle Tennessee State University this season. They will travel to Alaska in December, where the Eagles will play the University of Alaska-Anchorage and the University of Alaska-Fairbanks.

"We have beefed up the schedule on purpose because I wanted to play better competition before we start the GLVC schedule," said Dugan. "You have to play the tough teams to be a tough team. We may not have the best record going into the GLVC season, but we will be mentally prepared."

With the wide open offensive and pressure defensive style that the Lady Eagles play, all nine returning players saw action in nearly all of the games. Dugan said, "Last season we were testing the waters and we have laid a solid foundation. With the returning players and the new freshmen and junior college transfers, I think we can turn the corner and start earning some respect."

Leading the way for the Eagles in the frontcourt is 5-11 junior Kathy Lauck. Lauck, voted USI's Most Outstanding Player last season by her teammates, began 1991-92 season averaging 9.8 points and 8.4 rebounds per game. After a correction in her shot, she caught fire. In the final 18 games, Lauck averaged 16.0 ppg and 7.9 rpg. She shot 50.4 percent from the field, 6.6 percent higher than in the first ten games, and 61.0 percent from the line, 26 percent higher. On the season, she led the team in scoring with 13.9 ppg and in rebounding with 8.1 rpg.

While Lauck will be working the inside, 5-7 sophomore guard Glena Bower will be working the outside this season. Bower, who was voted the team's Best Defensive Player by her teammates, was second on the team in scoring with 13.6 ppg last season. She led USI in assists (2.8 per game) and steals (2.1 per game) in 1991-92.

Bower also set records for three-point field goal shooting. She hit 46 three-point field goals last season (a USI single season and career record), including seven in one game versus Lewis University at the PAC (a USI and GLVC single game record).

Joining Lauck in the frontcourt are twins Annette and Jeanette Elkin. Jeanette Elkin, a 5-11 junior forward/guard, was a co-captain last season and started in four different positions. She led the Eagles in scoring in the first part of the season, and ended 1991-92 with 7.2 ppg and 3.7 rpg.

Annette Elkin matured toward the end of the season and can become a force this season. She averaged 3.8 ppg and 3.6 rpg on the season, and in the last four games, she averaged 8.5 ppg and 5.5 rpg.

Sheri Kaiser, a 5-10 junior forward will return in the frontcourt. Kaiser, an Academic All-GLVC performer, was USI's third leading scorer with 9.0 ppg and second leading rebounder with 5.7 rpg.

Returning to compete for the small forward position is 5-9 sophomore Danielle Slaughter. Slaughter saw limited action in 1991-92, but showed great passing ability which makes her valuable at the off-guard position. She averaged 2.5 ppg and 1.3 assists per game.

Dugan said, "We have a good crop of small forwards in Jeanette Elkin, Kaiser, and Slaughter. If a player is in and not doing the job,

someone will be able to step in and lift the team. All of the players will have to step up their game. The defense will come easier after a year of being in it.

"Jeanette Elkin played different positions last season and may play in four different positions this season. Slaughter may switch to a guard position but has to work on her ball handling. She already is a good passer."

Dugan and the Eagles picked up much needed depth in the frontcourt in the off-season.

USI signed 6-2 freshman center Mary Darlage from Brownstown, Ind., who averaged 14.0 ppg and 8.0 rpg as a senior at Seymour High School; 5-11 freshman forward Michelle Scott from Evansville, who averaged 10.4 ppg and 7.8 rpg at Bosse High School; and Deb Pope, a 5-11 freshman forward from Maroa, Ill., who averaged 22.0 ppg and 8.0 rpg at Maroa-Forsyth High School.

"They are going to add quality depth to the frontcourt which we did not have last season. Last year, if we got into foul trouble, we did not have anyone who could come in and add to the team or we were forced to go with a small lineup," said Dugan.

In the backcourt, the Eagles return 5-6 junior Laura Perek and 5-5 sophomore Missy Hart. Perek, who was named to the Academic All-GLVC team in the fall and spring semesters, played in all 28 games last season, started 13, and averaged 5.6 ppg and 2.6 apg. Hart saw action in 23 contests and averaged 3.3 ppg and 1.0 apg.

For depth at the guard positions, the Eagles will add a senior, a junior and a freshman.

Charlene Tinner is the senior. The 5-4 guard transferred to USI from Scottsdale Community College, where she was All-Conference in 1989. Tinner was a NHSACA honorable mention All-American as a senior at Bosse High School in 1984.

The junior is 5-5 Lisa Wells. Wells is a transfer from Lincoln College (Ill.), where she was the team's Most Valuable Player. She was named to the All-Tournament National Junior College Athletic Association team in 1991-92.

The only freshman guard is 5-7 Stacey Roby, who sat out 1991-92. The redshirt graduated from Owensboro (Ky.) High School, where she was a three-time team MVP and averaged 12.0 ppg and 7.0 rpg as a senior.

Although the Eagles have talented guards, their goal is to be consistent from the outside. Dugan said, "Bower, Hart, and Perek will add a lot of experience to the team. The concern with the guards is the outside shooting. They can all penetrate, but they have to be more consistent with their outside shooting."

HEAD COACH CHANCELLOR DUGAN

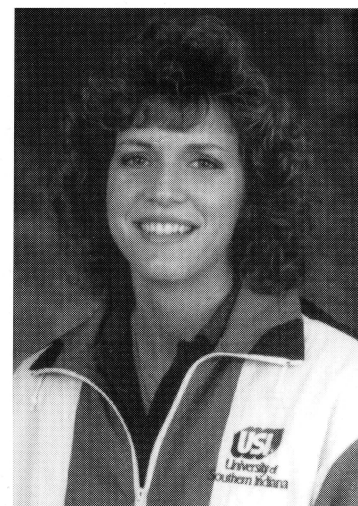

Chancellor Dugan enters her second season as the USI women's basketball coach and assistant athletic director. Dugan's enthusiasm and optimistic outlook along with a hard work ethic has made the GLVC sit up and take notice of the Lady Eagles.

In her first year, Dugan led the women's basketball team to more wins in the regular season (8) and in the Great Lakes Valley Conference (3) than the Screaming Eagles have had in the past two years combined. Dugan has nine players returning from a team which finished 8-20; all nine saw action in nearly every game last season.

Dugan came to USI from Eastern Kentucky University where she had been the assistant women's basketball coach for two years. At ECU, she was responsible for coaching the post players and setting the defensive assignments. Prior to becoming the assistant coach at ECU, she was an assistant at Morehead State University and the University of Alabama.

Dugan, a native of Louisville, Ky., graduated from ECU in 1982 with a bachelor's degree in physical education and received a master's degree in physical education in 1989 from Morehead. While an undergraduate at ECU, Dugan was a three-year starter and finished her junior and senior years as the team's leading rebounder and second-leading scorer.

After graduating from ECU, she took the head coaching job at George West High School in George West, Tex., where she guided the team to a 56-30 record in three years.

PATTY JO HEDGES, 1984 OLYMPIAN, FORMER GEORGETOWN COLLEGE HEAD COACH, and CURRENT ASSISTANT COACH FOR EASTERN KENTUCKY UNIVERSITY ON DUGAN:

"Chance is one the hardest working and enthusiastic coaches in the game. She has fresh insights on coaching and worked under some of the best coaches in the country to go with the fact that she is a player's coach."

LARRY JOE INMAN, EASTERN KENTUCKY UNIVERSITY WOMEN'S HEAD BASKETBALL COACH:

"Out of all of the assistants I have had over the years, Chance ranks in the top two or three. She knows the game and most of all, she cares about the kids."

Dugan explains the game plan

WOMEN'S BASKETBALL COACHING STAFF

ASSISTANT COACH KELLY BOYD

Kelly Boyd begins her second year as an assistant coach with USI women's basketball.

Prior to coming to USI, Boyd was a graduate assistant coach at ECU, where she earned a master's degree in physical education/sports administration. She received a bachelor's in physical education/health from Northeast Missouri State University, where she played varsity basketball two seasons (1985-89). She played basketball and softball for two seasons (1985-87) at Lincoln College (Ill.), before transferring to NEMO.

In addition to her basketball duties, Boyd is the women's head volleyball coach.

A native of Argenta, Ill., Boyd attended Argenta-Oreana High School.

DUGAN ON BOYD:

"Coach Boyd's knowledge of the game helped shape last year's running game. Her recruiting ability helped in a very successful recruiting class."

GRADUATE ASSISTANT COACH RICK STEIN

Graduate assistant coach Rick Stein enters his second season with Coach Dugan and the USI women's basketball program.

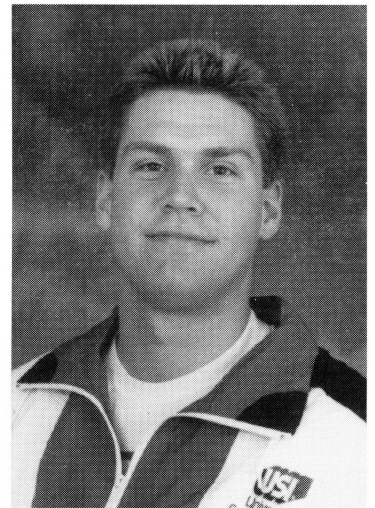

Stein graduated from USI in 1992 with a bachelor's degree in business administration and is working towards a master's degree in Liberal studies. He also holds an associate degree from Parkland College in Champaign, Ill.

Stein played two seasons for the USI Screaming Eagles and helped earn a berth in the NCAA II South Central Regional in 1991. At Parkland, Stein was a member of the 1988 NJCAA Division II runner-up and 1989 fourth place teams.

Stein is a native of Crete, Ill., and attended Crete-Monee High School.

DUGAN ON STEIN:

"Coach Stein had his eyes opened when he made the switch from playing to coaching. I will count on Rick this season to help in recruiting and scouting."

Old National Bank presents a crash course in surviving college crises!

Old National's College Survival Kit has the answers for solving the money crises you'll face in college. With free checking and other benefits, it makes paying for anything from books to burgers a real breeze.

You see, it's the complete financial package put together specifically for the college crowd.

CRISIS #1

A little cash, lots of books

It lets you write unlimited checks with no minimum balance. The first 50 checks are free. And overdraft protection* can be included—so a mistake won't cost you embarrassment or a fee.

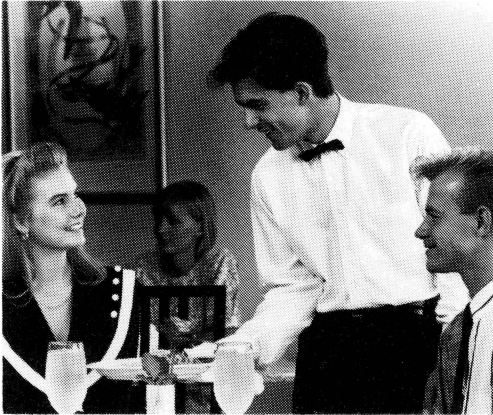

You get a free MoneyMover card for quick access to cash anytime. Almost anywhere. On campus

CRISIS #4

Quick cash late at night

CRISIS #2

When the dinner date gets expensive

CRISIS #3 Last-minute party clothes

or off. And there's a Visa or MasterCard with your name on it, and a \$500 credit line* to boot.

So make it easy on yourself. Apply for Collegiate Checking at any Old National Bank office today. And pass your crash course in surviving a college crisis.

*Subject to credit approval. Additionally, for the \$500 credit line. Freshmen and Sophomores need a co-signer, while Juniors and Seniors with a 3.0 or above G.P.A. from a four-year accredited college do not.

THE PHYSICAL ACTIVITIES CENTER

The Physical Activities Center (PAC), home court of USI Screaming Eagles basketball, opened in 1980. The PAC accommodates physical education classes, intramural activities, student recreation, and provides an on-campus arena for USI basketball and volleyball.

The PAC has a multipurpose activity area, a gymnastics and dance module, an aquatics area, physical therapy and weight-training rooms, four general classrooms, men's and women's locker rooms, and offices for educational and athletic personnel.

The multipurpose activity area is the building's most versatile section. It can support several activities simultaneously when the floor-to-ceiling curtains separate it into three teaching modules. Without the curtains, it can accommodate activities of a larger scope. Indoor intramural activities are held in the multipurpose area. The gymnastics and dance module overlooks the multipurpose activity area and complements the teaching modules.

There is an enclosed 25-meter swimming pool with one- and three-meter diving boards in the aquatics area. Weight-training and physical therapy rooms are important support components.

In the multipurpose area during spectator athletic events and public forums, chairback and bleacher seating for 3,000 people can be moved into place. The spectator capabilities were made possible through generous donations from businesses and individuals in southwestern Indiana. More than \$300,000 was raised by the USI Foundation in the Health, Physical Education, and Recreation Building Fund Drive in 1979.

In addition to regularly scheduled credit and noncredit classes, health maintenance and open recreation periods are available. Information on use of the building is available by calling at 464-1945.

The PAC also houses USI and community special events such as concerts, convocations, and commencements.
