Who's Who Among Students in American Universities and Colleges**

The 2001 edition of *Who's Who Among Students in American Universities and Colleges* will include the names of 16 students from University of Southern Indiana who have been selected as national outstanding campus leaders.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities, and potential for continued success.

They join an elite group of students from more than 2,300 institutions of higher learning in all 50 states, the District of Columbia, and several foreign nations.
