In honor of the Ernst Family
and
in memory of Maria Katherine Hatter Schell Ernst

Introduction

George Ernst was the father-in-law of my Great-Great-Grandmother, Maria Katherine Hatter Schell Ernst. She was the only child of Barbara Kaes and John Hatter. At age 19, Maria Katherine married Clemens Schell (age 46), on 12 January 1863 in Ferdinand, Dubois County, Indiana. To this marriage 5 children were born: Mary Catherine, Joseph, John, Henry Joseph and Andrew. In 1879, Clemens Schell died and Mary Katherine, at age 35, was now a single mother with 4 children under the age of 13 to raise. On 8 November 1881, she married Andreas Ernst in New Boston, Spencer County, Indiana. With Andreas, Maria Katherine had 3 more children, Francis Joseph, Maria Rosalia and Katherine Maria. The Ernst and Schell families became more intertwined when Henry Joseph Schell (son of Maria Katherine) married Elisabetha Anna Ernst (granddaughter of Georg Ernst).

In 2015, I published a book on the Schell Family of Ferdinand, Indiana. I continued my research on the Ernst family, looking at census, birth, military, marriage and death records to verify family connections. Through my research, I reached out to numerous genealogists who have researched other families in Vanderburgh, Dubois and Spencer County, Indiana. They have shared their family databases with me. I acknowledge their help: Dolores Hammer Sanders, Tony Collignon, Mildred Bertke Troesch, Scott Weigand and Leroy Kercher.

This book is a summary of my research, and is not meant to be an all-inclusive representation of George Ernst family. Other researchers are encouraged to use what I have assembled and continue with their research. Because of mistakes in newspaper articles, government documents and mistakes in my typing, there may be errors.

To those that use this book, I wish you success in your family genealogy search.
