In honor of the Weissman Family

Introduction

Not much is known about the Weissman family. As I was researching the Weis and Weiss families, I often encountered Weissman in my search results. Thus, I extended my research into the Weissman family.

Valentine Weissman was born on 22 January 1850 in Germany. His nickname was Falden. Around 1885, he immigrated to the USA .

On 19 Dec 1889 when Valentine was 29, he married Anna Maria Schele, daughter of David Schele Sr & Margaret Meser, in Vanderburgh County, IN. They had the following children:

Through my research, I reached out to numerous genealogists who have researched other families in Vanderburgh County, Indiana. They have shared their family databases with me. I acknowledge their help: Cyril & Wilma Ubelhor, Clem Weiss, Fr. David Nunning, Brian Lankford, Charles Koressel and Robert Koressel

This book is a summary of my research, and is not meant to be an all-inclusive representation of the Valentine Weissman & Anna Maria Schele family. Other researchers are encouraged to use what I have assembled here and then continue with their research. Because of mistakes in newspaper articles, government documents and mistakes in my typing, there may be errors.

This family history report uses the legal outline numbering system. It begins with one source couple, Valentine and Mary Weissman, and moves forward in time. This report includes their descendants (children, children's children, etc.) along with information about each descendant along the way. Each descendant in a family history report is assigned a legal outline number which symbolizes the descendant's relationship to the source couple. The number permits one see at a glance the relationships between people in the family history report. For example, the person number 1.2.3 means the third child of the second child of the source couple. The generation prefix, such as (2), is before the descendant's name and indicates the generation from the source couple. Sources of information are listed at the end of the report and superscripts are given after the descendant's name. An index is also provided.

To those that use this book, I wish you success in your family genealogy search.

Posey crash on sharp curve kills city youth

Milton Reis said his 20-year-old son, Thomas, spent yesterday morning helping his brother, Steve, move into a new home in Evansville. Less than two hours later, Thomas Reis was killed after his pickup truck left Old Ind. 62 in Posey County.

Posey County police said Reis was driving west when he failed to make a sharp turn in the road known to police as "Dead Man's Curve." Police said the curve, located about one quarter mile inside the Posey County line, veers sharply to the right for westbound drivers and has been the scene of numerous wrecks.

When Reis reached the curve, police said he apparently lost control of the truck, burrowed through a ditch, and turned over before striking a tree. They said the truck traveled some 454 feet before it came to rest on its right side.

The accident occurred at 1:45 p.m. yesterday and Reis, of 4301 Westwood Drive in Evansville, died of head injuries at 2:44 p.m., in Deaconess Hospital, police said.

He is survived by his parents, Mr. and Mrs. Milton Reis of Evansville; brothers Jim and Steve, both of Evansville, and Mike of Knoxville, Tenn.; and a sister, Mrs. Kathy Jackson of Evansville.

There will be services at 8:30 a.m. tomorrow at Ziemer's Fountain Terrace West. Rev. James Hill will officiate at services later at 9 a.m. at Sacred Heart Catholic Church.
