## Naturalization

The following are the records for the Petition for Naturalization, often called "Second Papers" or "Final Papers" and was the formal application submitted to the court by individuals who had met the residency requirement (generally five years).

It was very common in the 19<sup>th</sup> century for an immigrant to have recorded only a Declaration of Intention, also referred to as "First Papers." Once having filed this declaration, a man was allowed to vote or apply for free land through homesteading. Because there was no tangible benefit for completing the additional steps, many men did not follow through with the entire naturalization process.

August Term 1848

And now John Deig makes application to become a citizen of the United States, and the court being fully satisfied that he has fully complied with the act of Congress in such case made, and that he has taken the final oath to support the constitution of the United States and otherwise himself as a good and peaceable citizen thereof, and that he has sworn renounced and abjured all allegiance & fidelity to every foreign Prince, Potentate, State, and sovereignty whatever, and more particularly to the King of Prussia of whom he was heretofore a subject.

And now Dorothy Deig makes application to become a citizen of the United States, and the court being fully satisfied that she has fully complied with the act of Congress in such case made, and that she has taken the final oath to support the constitution of the United States and otherwise herself as a good and peaceable citizen thereof, and that she has sworn renounced and abjured all allegiance & fidelity to every foreign Prince, Potentate, State, and sovereignty whatever, and more particularly to the King of Prussia of whom she was heretofore a subject.

And now Andrew Deig makes application to become a citizen of the United States, and the court being fully satisfied that he has fully complied with the act of Congress in such case made, and that he has taken the final oath to support the constitution of the United States and otherwise himself as a good and peaceable citizen thereof, and that he has sworn renounced and abjured all allegiance & fidelity to every foreign Prince, Potentate, State, and sovereignty whatever, and more particularly to the King of Prussia of whom he was heretofore a subject.

## U.S. Census Records, 1850 - 1900

Source: National Archives and Records Administration

The following snippets from census records offer a window into the Deig family story. The records help construct entire family groups and identify relatives.

Censuses are taken every 10 years, starting in 1790. The majority of the 1890 census was lost in a fire. The most recent census available to the public is the 1940 census.

Census-takers were to visit each household. Beginning in 1850, every free household member was named and families were numbered in order of visitation. Census-takers did not ask people how to spell their names, thus, misspellings are common. Discrepancies do show up as the source of information may have been a child or neighbor, or language barriers may result in miscommunication and inaccurate information. Additionally, mistrust of the government may lead to falsehoods, especially about income or naturalization status.

### Civil War Registration

Over 2.8 million men (and a few hundred women) served in the Union and Confederate armies during the Civil War.

About Civil War Registrations from Ancestry.com:  
 There were four drafts between 1863 and 1865, which included 3.175 million records. Historically, the 1863 draft was one of the most tenuous moments in the Union outside of the battles fought on Northern soil.

Mary Anna Deig (1820 - 1872) &  
Frank Peter Schenk (1819 - 1865)

**EDERHARD B. SCHENK** was born in Vanderburg County, Ind., July 10, 1844. He is a son of Francis and Maria (Doig) Schenk, who were natives respectively of Prussia and Bavaria. Francis came with his parents to the United States when quite young, and located in Marra Township, Posey Co., Ind., where he was raised, married and lived until 1854 or 1855, with the exception of a short residence in Vanderburg County, where our subject was born. In 1855 they removed to Mount Vernon, where they have ever since resided. They kept the Union Hotel until the father's death, February 14, 1863. The mother died June 9, 1880. Our subject secured a good education, and after his father's death he assumed control of the hotel business, and continued at that work five or six years. The five following years he was engaged in the pump and steam-pipe business, and since that time has kept a large and select stock of stoves, tin and hardware, and is doing a thriving business. In 1871 he took for his companion and helpmate through life, Elizabeth Stahlhoefer, born in Vanderburg. They have four living children: Elizabeth, Edward J., John and Clarence. -- Mr. Schenk's political views are Democratic, and he and wife are members of the Catholic Church.

## OBITUARY.

### Death of Mrs. Schenk.

Mrs. Joseph L. Schenk, wife of Prof. Schenk, the well known organist, died Sunday just before the noon hour. Her death comes as a shock to many friends, who were not aware of her critical condition. She had been ill for some time with an organic trouble which it was hoped to relieve by an operation. This was undertaken last week, but her condition was such that she was unable to rally. On Sunday morning the symptoms were alarming, and shortly after prayers had been asked for her at Emanuel's church, her spirit passed away.

The deceased was 37 years of age. She married Prof. Schenk in this city eighteen years ago. As a result of the happy union, four children were born to them. Two daughters, Josie and Nora, and two sons, Robert and Eugene, are left with an almost heart-broken father to mourn the loss of a loving, devoted wife and mother.

The funeral will take place on Wednesday morning from the house at 8 o'clock, and at Emanuel's church at 8:30. Interment at Calvary.

**EBERHARD P. SCHENK**, a very prominent farmer of the county, was born May 12, 1821, in Germany, and is one of six children born to Frank and Elizabeth Schenk. The parents were native Germans, and came to this country in January, 1837, and located in the eastern part of Posey County, Ind. There the father died in 1846, and the mother about 1872, having lived to be over ninety years of age. Our subject was about sixteen years of age when he came to the United States. He received a very good German education, but his English education has been acquired by self application. When twenty-six years old he married and settled in Marris Township, on a farm where he lived until 1866. At that time he came to Mount Vernon with a brother and began keeping hotel, which business he abandoned in 1861, and moved on his present farm of 100 acres. He has

excellent buildings on his farm, and is one of the wealthy citizens and farmers of the county. In 1847 he was married to Margaret Deig (died January 9, 1874), who bore him these children: Mary Anna, Katie, Frank, Andrew, Barbara, Maggie, Lizzie. Mr. Schenk and family are members of the Catholic Church, and he has always been a Democrat politically. He has been county commissioner for six years. His son, Andrew A. Schenk, was born April 8, 1857, in Mount Vernon. He has always made his home with his parents. September 18, 1884, he was married to Katie Graberl. He follows the occupation of farming, in which he has been very successful.

Margaret Ritzert Mohr, family historian notes ---"In 1847 Eberhard P Schenk married Margaret Deig, also a resident of the St. Philip area. They lived on his farm in Marris Twp., Posey Co., Indiana until he and his brother Francis built and operated the Union Hotel at the southeast corner of Second & main St. in Mt. Vernon, Indiana. In 1861 he sold his share to his brother Francis and moved to his farm in Black Twp., Posey Co., Indiana which he operated until his death. Eberhard P. Schenk was active in politics."

"When John Bastnagel and Mary Ann Debes were married in April 1881, they stayed on in the home where she was living with her four children. All the Bastnagel Children were born there. During that time the Debes children had their home there. The mother (Mary Ann) died July 25th, 1908. She had been sick quite a while.

Katie had gone to the convent in 1904. (She took the name Sr. Georgina; she was a Benedictine nun.) That left Lizzie to take over the responsibility of the mother.

One by one the others left home to be on their own. Andrew, William, and Clement, in due time, went to St. Meinrad to study to be priests. Henry went to Teckney, Ill., Frank left to work on the railroad in Mr. Carmel, Ill. Rosa in 1913 made known her wish to become a nun. Lizzie stayed on at home.

Andrew was ordained a priest for the Indianapolis diocese, read his first Mass, along with Rev. George Schenk and Rev. John Schenk, at St. Philips, Ind. May 30th, 1915. He served the diocese until his death July 14th, 1950. He is buried at Indianapolis.

Henry served his country during World War I. He was near the front when the Armistice was signed. He was kept overseas as an interpreter for about a year. Upon his return he went back to Teckny, Ill.

Since none of the boys were interested in farming, John Bastnagel Sold the farm to John Shmuck in 1916. A public sale disposed of the personal property. That summer Clement had a severe case of typhoid fever, so severe he did not return to St. Meinrad in the fall.

In the fall of 1916 the family moved into a new home in Evansville, at 1312 Law Ave. (later changed to 2412 W. Virginia.) Lizzie continued to play the role of mother.

Frank married Gertrude Hicks in April, 1920. The officiating priest was Fr. Wm. Bastnagel, who was at the time assistant at St. Mary's in Evansville. The family moved to Mt. Carmel, Ill., where Frank was a railroad engineer. Their four children were born there. They lived in their home until Frank passed on in 1944. Gertrude passed on in 1956.

During the summer and fall of 1921 Lizzie's health began to fail. Several years earlier she had had surgery for a ruptured appendix. Peritonitis developed - that could have left a weak heart. She passed away Nov. 27th,

1921. Her dad was very depressed. Sometime later, Henry came home to live with his dad. He worked at Evansville; for a long time at Mead Johnson.

John Bastnagel passed away Jan. 14th, 1946. Henry stayed in the home, the responsibility of which he had taken over several years earlier. Henry lived there until his death Mar. 9th, 1956. The home was sold.

William was ordained a priest Apr. 18th, 1918. He read his first Mass at St. Boniface in Evansville. During the winter of 1918 & 1919 he contracted pneumonia. The doctor sent him to his father's home, where Lizzie and Goldie Hicks nursed him back to health. He served as an assistant, pastor at St. Mary's of the Rocks, St. Agnes in Howell, in 1948 he was appointed pastor at St. Boniface, Evansville. He served there until he retired in the summer of 1963. All the while he was pastor, Margaret Gabel, his cousin, was his housekeeper. They retired to an apartment on Cass Ave. in the Holy Spirit parish. In late 1972, Margaret took sick. She moved to the Regina home in Jan, 1973. She died in July 1973. She is buried at Shawneetown (IL.)

Father Wm. was a guest of Fr. Dewig at St. Theresa for about a year. When Fr. Dewig was transferred to St. Philips, in 1974, Father Bastnagel moved to the Little Sisters of the Poor, where he lived very happily until his death Dec. 23rd, 1978. He had witnessed the passing of all the members of his family, plus that of Margaret Gabel, his housekeeper.

Rosa, as a Benedictine nun, taught in the Parochial schools of the diocese until she passed on, Sept. 12th, 1948. She had taken the name of Sr. Baptista. Sr. Georgina (Katie) spent most of life at the convent, in the bakery and the book bindery. She passed on Aug. 27th, 1944.

Clement was ordained a priest, May 22nd, 1923, for the diocese of Indianapolis. He was sent to the university at Washington, D.C. and to Rome to earn his degree in Canon Law. Later he taught Canon Law at the Catholic University at Washington, D.C. When he retired, about 1966, he came back to Evansville to live near Fr. Wm. They both enjoyed that companionship very much. Fr. Clem passed on Mar. 25th, 1970. He and Fr. Wm. are buried on the St. Joseph's Cemetery at Evansville, Ind."

#### Andrew Albert Schenk<sup>1857</sup> (1857 - 1924) & Katy Grabert

Andrew A. Schenk, successful merchant, influential citizen, and treasurer of Posey county, is a native of the city of Mt. Vernon, where he was born on April 8, 1857, the son of Eberhardt P. and Margaret (Deig) Schenk. The family was founded in Indiana by Frank Schenk, a native of Germany, who came to Posey county in January, 1837, and located on land in Marrs township. He died in 1846 and his wife in 1872. They were the parents of Eberhardt P. Schenk, who was born in Germany, in 1821, and who obtained a good education in that country. His early life was passed on his father's farm. In 1847 he settled on a farm of his own in Marrs township, which he operated profitably. In 1855 he, with his brother, Frank Schenk, built the Union Hotel on the southeast corner of Main and Second streets, which they conducted until 1861, when Eberhardt P. sold his interest and returned to his farm in Black township, resumed its operation and continued farming there until his death. Mr. Schenk

was an active and influential factor in the political life of Posey county, a Democrat, and served acceptably as county commissioner for several years. He married Margaret Deig in 1847. They were the parents of the following children, viz.: Mary Ann (deceased), Katherine, Frank P., Andrew A., the subject of this article, Barbara, Margaret (deceased) and Elizabeth. The parents were communicants of the Catholic church, and the family were reared in that faith. Andrew A. Schenk was reared on his father's farm and educated in the schools of Mars township. On attaining his majority, he engaged in farming on his own account and remained in this occupation until 1892, when he removed to Mt. Vernon and engaged in the grocery business. He has since developed one of the most profitable enterprises in this line in the county. He possesses a reputation for honesty and fair dealing which combined with commercial ability of high order has enabled him to accumulate a competence. Like his father, he has been an active factor in the political life of his home township, and later in that of the county. He has ever been a consistent advocate of the principles and policies of the Democratic party, which honored him, in 1910, with nomination to the office of treasurer of Posey county, and elected him by a highly satisfactory majority. He was elected, to succeed himself, in 1912. In the administration of the affairs of this department of the county's business, Mr. Schenk has given the same close attention to detail which made for his success both as a farmer and merchant. The writer is persuaded to believe that for all round efficiency the office has never had a more able occupant. Mr. Schenk married, on September 18, 1884, Miss Katy Grabert, the daughter of Frederick Grabert, of Black township. They are the parents of five children, who are as follows: Fred E. Schenk, assistant treasurer of Posey county; William C. Schenk, manager of the Schenk grocery store; Carl O. Schenk, Arthur A. Schenk, and Raymond Schenk, the last three named being employed in various capacities in the store owned by their father. The family is popular in their home city, active in its social life, and the Schenk residence on Water street is one of the handsome homes of Mt. Vernon.

Frank Peter Deig (1873 - 1919) & Mary Agnes Muth (1880 - 1924)

Frank Deig, a prosperous farmer and land proprietor of Black township, Posey county, Indiana, was born in the same township where he now lives June 29, 1873, son of John S. Deig and Mary (Miller) Deig, the former a native of Germany who came to this country when quite small, and the latter a native of Posey county. (See sketch of John A. Deig for history of the family.) Frank Deig was reared in Black township, attended common school, and two years of high school in Mt. Vernon. He then went to St. Mary's Institute in Dayton, Ohio, two years, from 1889 to 1891. After leaving college he secured a position as clerk with E. B. Schenk, later working for Alles Bros, and for Stinson Bros. He left the latter concern to engage in farming and stock raising in Black township. This was about 1899 and he has remained on the farm ever since except for one year when he lived in Mt. Vernon with his mother. Mr. Deig has a very large farm containing 404 1/2 acres, on which there are two tenants. The crops are chiefly wheat, corn and clover. On May 28, 1901, occurred the marriage of Frank Deig to Mary A. Muth, daughter of Clements and Elizabeth (Niehhouse) Muth, natives of Dubois county, Indiana, where the father engaged in farming and stock raising. Mrs. Deig was born in Spencer county, Indiana, in August 18, 1880. After finishing the common schools, she came to Mt. Vernon, where she lived with E. B. Schenk and family. **FIRE LAST NIGHT.**

**BURNING OF J. J. DEIG & CO.'S MILLS.**

At half-past 10 o'clock last night the booming of the fire bells startled the sleeping citizens, and a light illuminated the northwestern heavens. The Fire Department was out promptly to seek the flames, but after going as far as Bingham's distillery, the fire was discovered to be in J. J. Deig & Co.'s grist mill, a mile and a half below the city, and as a morass intervened, the ladder wagon returned to the city. The mills were totally destroyed, and the loss will probably foot up between \$12,000 and \$15,000. The flames burned brightly for an hour, and the whole heavens were brightly illuminated. Our reporter could not learn whether or not there was any insurance upon the buildings. The mills were old, but were good, and had recently been repaired.

## Descendant List

This report uses the legal outline format. Each descendant in the family history report is assigned a unique legal outline number which symbolizes the descendant's relationship to the source couple.

John Deig is assigned the number 1. His oldest child, Johann Andrew Deig, is assigned the number 1.1. His second child, Mary Anna Deig, is assigned the number 1.2. His third child, Magaret Anna Deig, is assigned the number 1.3, and so on.

Read the numbers from right to left. For example, the person number 1.2.3 means the third child of the second child of the source couple.

The generation prefix, such as (2), is before the descendant's name and indicates the generation from the source couple.

When there is a second marriage, the letters, "a" and "b", are used, where "a" represents the first marriage and "b" represents the second marriage. For multiple marriages, the letters "c", "d", and so on, are used.
