MARIA GORETTI

## Dedication

With greatest admiration we dedicate this book to Saint Maria Goretti, the twelve year old martyr of purity, who dedicated her life to God.

This "Agnes of the Twentieth Century" was born in Marcada di Incona, Italy, on October 16, 1890 and died on July 6, 1902 as a result of the fourteen knife wounds rained upon her virginal body by her assassin. Maria was beatified Blessed Maria Goretti on April 27, 1947 and canonized at St. Peter's in Rome by His Holiness, Pope Pius XII.

The great distance of her home from any school prevented Maria Goretti from having any formal education, such as ours, but she was made wise by a life of prayer, and this life should be an inspiration to us as we realize that the highest possible goal we can reach is that of graduating into the Service of God as one of His Saints.

### LEAVING BUT NOT FORGETTING

We are leaving, but we shall never forget the joy and sorrow, the excitement and disappointment of high school. As we walk deeper into the problems of the world and society, we shall ever so often turn around and gaze back on the memories of our teenage life and especially that part which we experienced at Mater Dei.

# R E T R E A T

Father James O'Connor,  
Boys' Retreat Master.

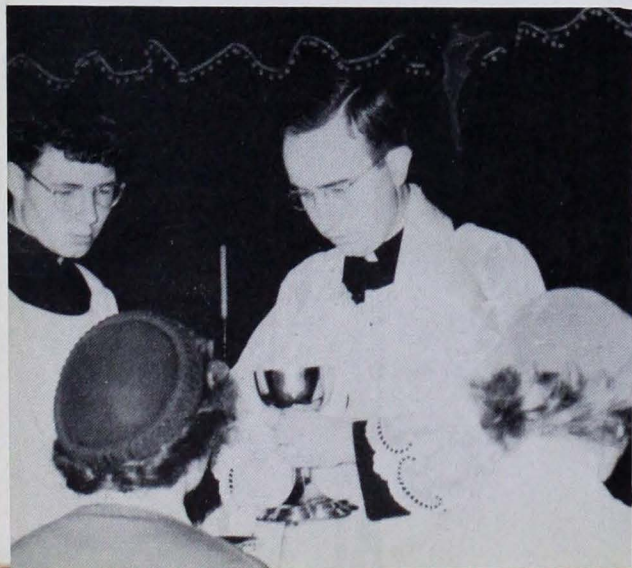

Father Edward Overberg, O.F.M.,  
Girls' Retreat Master.

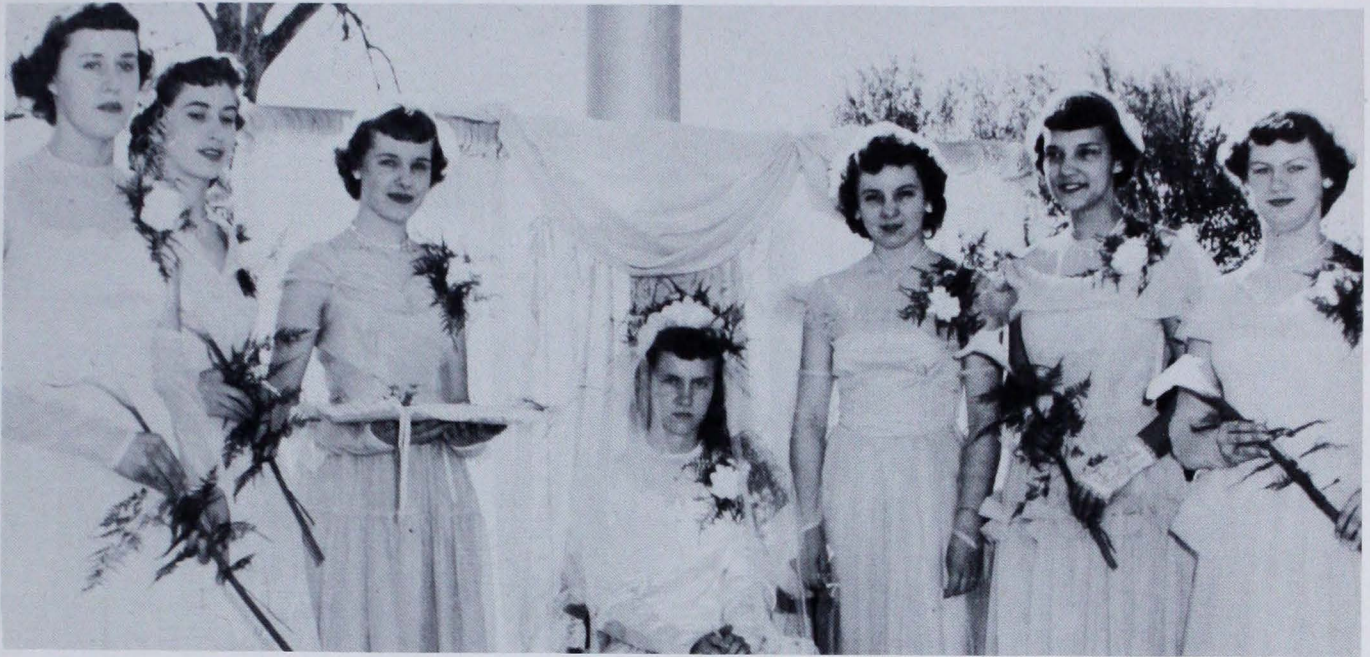

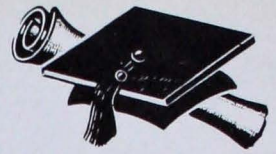

Retreat is the most impressive activity on the program of a Catholic High School. For three days the students pray and meditate, turning their minds to higher ideals. They

bring themselves closer to God by daily attendance at Mass and Holy Communion as well as the rosary, Benediction, and conferences delivered by their retreat masters.
